16th & 17th March 2024

November 2023

Dear Enthusiast,

THE 10th LOWER MURRAY HERITAGE RALLY 2024

Welcome to our tenth Lower Murray Heritage rally. We cordially invite you to bring your exhibits, family and friends to what we anticipate to be another successful weekend. Held at the Murray Bridge Show Ground just over the bridge.

In March, there are sure to be Vintage cars, Stationary engines, Farm machinery, blacksmithing displays, hay bailing and Tractors events. Trophies will be offered in all sections. We will have craft stalls and displays for the ladies and things to do for children. Food and drink stalls are provided with a BBQ running hot all day.

We will also have a **tractor pull competition** too. Catering for all tractors and H.p ratings. Cost is \$5 per tractor or is included with the purchase of a rally entry.

We will have unloading equipment, tractor ramps, 2.5t forklift and plenty of man power. Water will be available on site. Night time security will be on watch for the Friday and Saturday night. An exhibitors meal will be available on Saturday night, Also the usual \$1 raffle with lots of prizes to be won. Camping is allowed.

We have our newly designed spun cast souvenir rally plaque. Cast in metal and enamelled, meaning no more faded and falling apart plaques. Each badge is numbered individually and stamped.

ALL ENTRANTS MUST HAVE PUBLIC LIABILITY INSURANCE. This may be checked on the rally day, you must have your in date card and I.D. Any person which does not have public liability insurance will not be able to display at the rally.

We look forward to your participation at the "The Lower Murray Heritage Rally" and hope you will enjoy the weekend. Further information is available from Jayme Marshall, between 5pm-7pm on 0419037756, by visiting our website www.lmvemc.com or by email namccue@lm.net.au

Yours Faithfully,

Nick McCue
President L.M.V.E.M.C inc.

Jayme Marshall
Rally Secretary

NATIONAL HISTORICAL MACHINERY ASSOCIATION Inc TRACTOR PULL GUIDELINES AUSTRALIA WIDE

Issued: 31st July 2007. Amended: January 2010; November 2012.

Preamble: Tractor pulling is not a competition; it is only a fun sport to test the pulling capacity of your old tractor. Tractors are to be classified into three classes:

- a) Tractors manufactured 1955 or earlier; referred to as 'Vintage Tractors'.
- b) Tractors manufactured 1956 or later; referred to as 'Classic Tractors'. All participating tractors need to be at least 30 years old.
- c) All participating tractors be limited to 1973 year of manufacture or earlier, and a limit of 100 maximum drawbar horsepower be placed on all tractors.

1. Horsepower ranges will be set on the maximum drawbar horsepower. Under 15hp, 16-20hp, 21-25hp, 26-30hp, 31-35hp, 36-40hp, 41-45hp, 46-50hp, 51-55hp, 56-60hp. Open: Horsepower classes are optional to all clubs.

2. All tractors must be in standard form with no modification whatsoever. Type variations will be allowed only if:

- a) They were available as an option when new.
- b) They are the only modern size tyre available to replace old tyres.
- c) Rim spacers will only be permitted to enable modern tyre sizes to fit old rims.

3. Two wheel weights can be fitted per wheel, to any tractor irrespective of make or model, cast or steel rims. The wheel weight must not protrude more than two inches or 50mm past the outside of the tyre. These weights must have been originally manufactured as a wheel weight, be of cast or steel material and fitted in a proper and safe manner. It is left to the discretion of the Safety Officer or Club Committee regarding the number of 'Chamberlain weights' (sandwich weights) fitted to Chamberlain Tractors only.

4. No other weights will be allowed on the tractor. No tractors will be allowed with any other equipment fitted

5. Maximum height for drawbar will be:

- a) Under 25hp classes : 18" Maximum
- b) Above 25hp classes : 22" maximum

No modified drawbars are allowed. All drawbars must be supplied by the manufacturers.

6. When front wheels lift off the ground you will be stopped.

7. All drivers must be licensed and insured, however, underage drivers fifteen to seventeen may participate under strict supervision of an adult club member in a fenced compound. Outside fenced compounds all drivers must be licensed.

8. No passengers allowed on tractors in compound or pulling track.

9. No riding on the sled, only drivers allowed on shed, unless an extra seat is fitted.

10. Pulling will start and stop at the sound of a horn on the sled, or a signal by the flagman.

11. Tractors must be in Neutral and drivers must have both hands raised to indicate 'Neutral' before hooking up and unhooking.

12. Tractors must be driven no faster than walking pace at all times.

13. All tractors will be observed by a Safety Committee appointed by the club.

14. If there is a seat fitted on the tractor, the driver must remain correctly seated at all times.

15. Tandem hitched tractors will be accepted at NHMA events, only if the hitch is approved by the manufacturer and built to a structural engineer's requirements [certificate required]. Tandem tractor pulls using chains etc will not be accepted under any circumstances.

It is intended that these "Tractor Pull Guidelines" should be followed by all NHMA clubs conducting such an event. These Guidelines are produced with the aim of providing a safe operating procedure for the exhibitor, the officials and the viewing public. Please remember, modifications only as above, this event is for Vintage and Classic Tractors only. Your club input is always welcome.

Please contact the NHMA Secretary or State Representative with information.

ENTRY FORM
