SECRETARY

From the editors desk

Dear members,

Firstly i must say a big thankyou to all the elected officials at our AGM. Thanks for putting your hand up. But alas we are in need of a secretary and without the club will cease. Please contact us if you can help in any way. All officials are listed inside this newsletter. We have a big couple of months coming up. Our rally is in full swing and there is an entry form in this news letter. This is the last newsletter until the rally so there is a special meeting to be held before our September meeting. Please be available for this date. See inside for more details. To all our car members this is free to enter and your may need to be inspected so break them out of the shed and help your club out with a display. Once again, as of the end of June your subs are due and to make sure your log books and rego papers are in order. Rodney is available at our rally. Subs not paid by the end of July will be reported to Service SA and your logbook cancelled. A member has offered for sale to the club a 8hp Blackstone engine on transport. The engine is running and complete. To be discussed at our August meeting. Pictures inside. Anyhow make sure the heaters are on to keep your shed babies warm and happy restoring.

Nick McCue

IMPORTANT DATES

AUGUST

14th Meeting at SHED
20/21st Strath Collectors Fair
21st Willunga Swap

SEPTEMBER

11th Gawler swap meet
11th Club Meeting at Shed 2pm start for rally meeting*
12th Newsletter Editors Birthday*
15th Presidents Birthday*
23/24th Murray bridge show*

*** DENOTES THE CLUB WILL BE DISPLAYING / ATTENDING**

A big thankyou to Ivan and Lores Frahn for donating a 4hp Famous engine to the club. A very nice engine indeed for the club to restore and display.

For your information

A 8hp blackstone has been offered for purchase to the club, it is complete and running on transport. Discussion to be had at our August meeting.

Murray Bridge Show 23th and 24th 2016

This years show will be held on the Friday and Saturday. Friday gates open at 4pm and close at 10pm. Saturday will be normal. A great chance to get your lighting plants out and make it a twilight meeting. Tea will be put on at 6pm Friday so come and join us and make our local show great. We have a better spot this year. Setup from 12pm Friday. FIREWORKS FRIDAY NIGHT!!!!

Presidents Report 2015-16

The past 12 months has brought nothing but positives for us and our club, we have growing member numbers, growing active member numbers, we have attended many events throughout the state and country, we are becoming more and more recognised throughout the vintage movement as an individual club, as well as a key part of the restoration/preservation movement as a whole.

Internally we have flourished, the diverse array of vehicles that have frequented meetings and social gatherings related to the club is unreal, and what's more with every sighting of something new, it encourages more people to do the same.

We have had a couple hugely successful working bees, which have sorted and arranged our shed to a point where it's inviting and functional, a huge thankyou to all who have donated time, materials, equipment and skills to get it to where it is now. We held what is turning out to be one of the biggest and most looked forwards to jumble auctions in the state, which not only was a great fundraiser, but a great way to get focus on our humble club and its members, not to mention a great way of possibly picking up a new project or piece to finish one. I do know that there are people already lining up with some really nice items for the next club auction, so again it's not to be missed.

Our Next rally will be here before we know it, we have started to get entry forms back already so yet again it's shaping up to be a great success. I'm hoping to have something that will be a "first time out" and totally different to the "normal" exhibit, but we will have to wait and see if it comes to fruition.

Looking forward, we will have the usual shows, rallies etc, but if anyone has an idea for a social outing, a club run, a new show to attend..... or even thinks it's about time to have a sausage sizzle at the shed, by all means bring it up, I think we will all continue to grow if we can keep the "social" and "active" side of the club alive.

One last thing, I've thrown it out there before, 2019 NHMA National Rally.... Are we interested in putting a submission in, or a group submission or anything for that matter?

And Tractor Trek, Do we want to do another one? A single day trek, a Weekend trek, or longer?

Just a local one or go a submission for a National Tractor Trek?

Food for thought, and please let me know.

Cheers Jayme

J.A.Marshall

Trip to Terowie Saturday 28th May 2016

On Betty and I went to Terowie for a special day on Henry Hoke's
It was put on but (The institute of Back yard studies)

Featuring: **'The Lost Stories of Henry Hoke'**

Involving old films, memorabilia and displays of private collections of Hoke's items

Prizes were given prizes for the best stories and the best newly-discovered Henry Hoke invention, tool or device.

We displayed our collection of Hoke items and won a prize in the form of a Long Wait

A great day with heaps of new ideas bought home. The Ambers

Lower Murray Heritage Rally 2016

WE NEED YOU

Our rally is on this October 1st and 2nd. We need your help! This is a major fundraiser for the club and would like you to attend or display. Displaying is free (without rally pack) and is on a grassed area. Please find your entry form in this newsletter. Please let us know if you can help in any way. **Meeting at 2pm Sunday 11/9/16** Nick Mccue

Jeparit 2016

Jeparit museum held their annual open weekend again this year .

We met up with Ivan and Loris Frahn with our collections

We displayed alongside of one another

We were given VIP treatment and a great spot in one of their new sheds

Amazing how the crowd comes in over the weekend

Betty and Loris on one of their walks came across an old church set up as a display.

It happened to be having a service starting so they both sat in..

Ivan and I kept an eye on the displays as we ate Hot Donuts that were being bought around and sold all weekend

Alongside of our displays were a group of lady's with sewing weaving machines and rug making going on

One lady on a sewing machine was in for a laugh and Ivan and I kept her amused so much that we did not really see that she made or achieved anything all weekend.

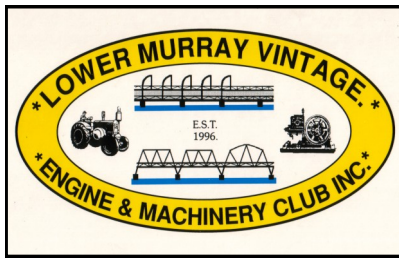

All up it was a great weekend *Devon Amber*

SUBS NOW DUE

Please ensure that your subs are paid in full by the end of July.

Car owners are reminded that a statutory declaration must be filled out every year and submitted with your subs, log book and rego papers to the registrar. Stat decs are available on our website under historic reg.

LOWER MURRAY VINTAGE ENGINE AND MACHINERY CLUB INC.

Celebrating 20 years

March 2016

1st & 2nd
October 2016

L.M.V.E.M.C
P.O. BOX 829
MURRAY BRIDGE
S.A. 5253

Dear Enthusiast,

THE 8th LOWER MURRAY HERITAGE RALLY 2016

Welcome to our eight Lower Murray Heritage rally. We cordially invite you to bring your exhibits, family and friends to what we anticipate to be another successful weekend. This Year we are celebrating 20 years as a club and would very much like to make this our biggest show yet. Please join us to make this happen. Also being held on the long weekend means there is no rush to get home and to stay another day in our wonderful town.

In October, there are sure to be Vintage cars, Stationary engines, Farm machinery, blacksmithing displays, hay bailing and Tractors events. Trophies will be offered in all sections. We will have craft stalls and displays for the ladies and things to do for children. Food and drink stalls are provided with a BBQ running hot all day.

Accommodation information is supplied with a map. We will have unloading equipment, ramps, 2.5t forklift and plenty of man power. Water will be available on site. Night time security will be on watch for the Friday and Saturday night. A three course meal will be available on Saturday night, catered by our own members, which includes soup with garlic bread, spit roasted meats with roast veggies and apple or apricot crumble for desert. Also the usual \$1 raffle with lots of prizes to be won. Camping is allowed.

This year we will be incorporating the 2nd McCues Bakery Pie Eating Competition. Promising to be entertaining in many ways, it proved very popular and great to watch in 2014. The competition is open to any one with an appetite and with big cash prizes you just might have to enter.

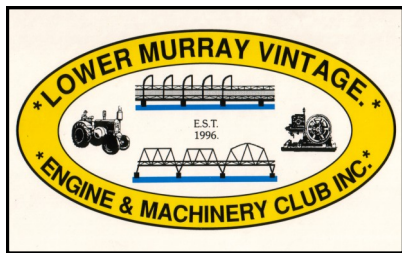

We have our newly designed spun cast souvenir rally plaque. Cast in metal and enamelled, meaning no more faded and falling apart plaques. Each badge is numbered individually and stamped. This year there are two options for you to consider,

Option 1: Entry fee is \$19.00 which covers all your exhibits and includes the following:

- Rally pack with goodies
- Gate passes for the two days for you and your partner
- One rally plaque for your collection
- Souvenir Program
- Two coffee/tea vouchers

Option 2: Entry is free for you and your partner and covers all your exhibits, but doesn't include the above featured in option 1, You may purchase a Limited edition Rally Plaque for \$20 on the day if not sold out.

Please return your entry form with the selected option by the 31st of August, to the above address. This will then ensure that your entry is recorded in your souvenir programme.
